

ARE YOU A FAMILY LIVING WITH MND?

Please help researchers at the University of Leicester understand your experiences in this short online survey about family caregiving and your interactions with health and social care services.

If you live in the UK are aged 18 or over, and either support a person with MND or are living with MND then we would love to hear from you.

PLEASE SCAN THE QR CODES FOR MORE INFORMATION

For family carers

For people living with MND

Surveys close on 26th June 2026

If you require a translation or to complete the survey by telephone, please call Emma on: 0116 252 5438.

THANK YOU
